**Rural Electrification Corp to raise Rs 1000 crore:** India's state-run Rural Electrification Corp will sell bonds to raise as much as Rs 1000 crore, a senior official said on Wednesday. The issue will be sold in two tranches of 5-year and 10-year bonds which will carry a likely coupon of 9.6% and 9.68% respectively. "The issue will be opening shortly, mostly tomorrow or on Friday," the official said. REUTERS
